"LEARN TO DO BY DOING"

I N M E M O R Y O F

Gordon Klammer, a former member of the Looma 4-H Dairy Club, passed away on September 3, 1968. Gordon was eighteen years of age and was living with his family in Edmonton. You may remember Gordon wrote an article in our first newsletter entitled, "What 4-H Has Meant to Me". Public Speaking was the most notable highlight in all of his many 4-H activities. In 1967 he won a trip sponsored by the Odd Fellows and Rebekah as their delegate to the United Nations for the National Public Speaking Competition. There were approximately 1,000 young people from all over North America competing. At the end of the week, Gordon Klammer had been selected as the top male speaker. Gordon with his warm hearted personality and outstanding voice had delighted many people at various banquets and other such occasions.

Our hearts are saddened with Gordon's passing and we can look to Gordon as being a tremendous example of a 4-H member.

LEDUC

Mr. Gerry Porter has left his position as District Youth Representative and is now Physical Education teacher at the Leduc Senior High School. We wish Gerry all the best in his new endeavors and we appreciate all the guidance and leadership he has given to all the 4-H clubs and youth in the Leduc County.

We welcome Mr. Bob Moffatt as the new District Youth Representative for Leduc. Mr. Moffatt received his Bachelor of Arts Degree in Psychology at the University of Alberta in 1966. He is originally from Banff and presently is making his home in Edmonton. He is married and his wife is attending University. We will all be looking forward to working with Mr. Moffatt in the future.

BARRHEAD

Mr. Doug Harker, the District Youth Representative from Barrhead, will be transferring to his new position in Medicine Hat to become District Youth Representative for that area. Mr. Harker has been very helpful to the 4-H clubs in the Barrhead area and we wish him the best of luck in his new job down south.

Lecturing a group of wheat farmers on the latest contributions of chemistry to agriculture, the young scientist declared: "The time is coming when a farmer will be able to carry all the fertilizer for an acre of ground in one pants pocket."
"Sure," grunted an old farmer, "and all the crop in the other."

At the funeral of a man who had farmed for years, the priest had many fine things to say. He concluded with the thought that the deceased was probably carrying on his work in the heavens. Two farmers were sitting together. One said to the other, "Good heavens, don't we ever get to quit?"

Farmer's wife (to little visitor from the city): "See that mother pig over there--she's a big one, isn't she?"
Little visitor: "She ought to be. I saw her yesterday and she had ten little ones blowing her up."

"How long have you been driving without a tail light, buddy." demanded the policeman of the farmer.
The driver jumped out, ran to the rear of his car, and gave a low moan. His distress was so great that the cop was moved to ease up on him a bit.
"Aw, come now," he said, "you don't have to take it so hard. It isn't that serious."
"It isn't?" cried the farmer, "What happened to my trailer?"

A cowboy with nothing much to do ambled into a blacksmith's shop and picked up a horseshoe without realizing it had just come from the forge. Instantly, he dropped it, shoved his seared hand into his pocket and tried to act nonchalant. "Kinda hot, wasn't it?" chided the blacksmith. "Nope," replied the old cowpoke, "Just doesn't take me long to look at a horseshoe."

1968 4-H LEADERS' CONFERENCE
